Money

Dear Families,

Are you looking for a way to earn a credit on your tuition while purchasing gift certificates for stores you already shop at? Good news! Holy Rosary School invites you to participate in our Gift Certificate Program. We offer a variety of local and national gift certificates for families to purchase. Imagine stopping in at Walmart for just a few items, but end up with a full cart. Simply log on to your shopwithscrip account, purchase a Walmart E-card, use that card to pay for your purchases, and save money on your tuition all at the same time!

We encourage you to check out the ShopwithScrip.com website, enroll for free, and download their mobile app, RaiseRight.

Once you enroll at shopwithscrip.com and set up your account you can:

- Purchase any of the gift cards listed on the site
- **Reload** gift cards previously purchased from shopwithscrip and/or
- Order physical gift cards that will be sent to the school for pick up on Thursday or sent to your own home (for a small fee).
- Purchase select gift cards at a **Higher Percentage** during special bonus days offered by shopwithscrip.

Set up and use one of these three easy payment methods:

- Link a bank account
- Pay with credit card
- Pay with a check

Not sure you want to enroll on-line for the program but still want to use it? Holy Rosary offers a **paper form** for these families to use. Simply:

- Fill out the paper form
- Stop in on Thursday morning between 8:00 – 10:00AM or
- Send the completed form with payment to school with your child by Thursday morning and your order will be processed and sent home with your child.
